

## *Eastern Competitive Trail Ride Association September 2016*

This hot dry summer, with no major relief in sight, has a lot of us worrying about hay supplies. With only enough room in the barn to store one ton at a time, and the likelihood of most hay growers unable to get a second cut, at least in my area, hay prices are likely to be sky-high this winter. My two horses, who have made it very clear that they much prefer second cut, are going to have to resign themselves to first cut hay. On the plus side, not too many rides have been rained out, at least not here in the northeast.

We've had great ride reports the last couple of issues -- here is some terrific feedback from the Muckleratz CTR rides in Pennsylvania at the end of July and the Pioneer Endurance rides in Maine early in August..

### **FUN AT THE MUCKLERATZ RIDES**

MaryColeman wrote "Hope someone posts how

great the Muckleratz ride was this past weekend. Kinda hot but better than the previous weekends and plenty of water provided on trail as well as very cold water at the hold. Jim, the vets, the recorders and all the volunteers did one great job! Thanks to all".

Many of you old-timers might remember Wanda Hanson (now Clowater) and her Appaloosa mare RD Speckle Spirit from many of the rides in central Maine more years ago than I care to remember! She was the photographer at the Pioneer Endurance rides in Maine.

Mary Coleman also sent praises for this ride: Pine Tree Endurance Rides 2016: "Finally the only five day ride in the northeast was heavily supported with riders from as far away as Ohio and even Canada. Although many ECTRA riders competed throughout the week only two finished all five on the same horses: Katie Vogel from New Jersey on her Mustang Fez and Mary Coleman from Pa. on her Morgan Romeo. 2017 marks the 20th anniversary of Tom Hutchinson hosting the ride so put it on your to do list. Make a vacation out of it -- Maine offers much!

More pics from Mucklratz!

Junior rider Hailey Walker, riding Jim Theurer's horse Kid Hasan. There were a total of 7 Juniors on the rides --three on Saturday and two on the Sunday 25's, and two on the 2-day 50. Way to go Juniors!

Mary P rode one horse in the LD Monday (25) than her mare Jasmine in the 50/55/50 total 180. No one did the 255. Lynn Hartman rode all five days but used 3 horses Troy did 75 total, Harmony and Mel her other horses just did LDs not sure who did what. But her total mileage would be 155. Many like Donna Curtin rode one day took a day off.
