

## Eastern Competitive Trail Ride Association March 2017

**ECTRA ANNUAL MEETING, FEB, 3 - 5  
BOXBOROUGH, MA**

### A Huge Success

The ECTRA Winter Getaway and Annual Awards meeting was the first weekend in February and enjoyed three superb speakers and Annual Banquet. Susan Garlinghouse DVM from California, John Crandall from Virginia, and Kirstin Bubeck DVM from Tufts University kept their information flowing from Friday afternoon to Sunday noon.

Dr. Garlinghouse has competed in endurance trail riding since 1988 and has finished 3,900 miles including completing the Western States Trail 100 mile Endurance Ride or "Tevis Cup" three times and many multi-days on her great Tennessee Walking Horse John Henry, which she has competed for the last 6 years and over 2,800 miles. In addition to her DVM, she has a master's degree in equine clinical nutrition and equine exercise physiology. She is an author and clinician on topics such as equine nutrition, metabolics, and

conditioning. She is considered a worldwide expert on our sport of competitive trail riding. She strongly recommended NOT feeding concentrates later than midnight before a ride, to avoid the "sugar high" at the start and "sugar crash" later in the ride. "Stuff your horse with forage - hay, soaked beet pulp, etc.

John Crandall III has been involved with Eastern Competitive Trail Riding Association and the American Endurance Ride Conference for over 30 years, his family is a cornerstone of our sport on the East Coast. The Crandell's have an uncanny ability to pick great horses and bring them along to be the very best. Together, they have well over 20,000 miles in competition. In 2006 John and his one in a million horse, Heraldic, accomplished a feat NO ONE had ever done: won the Endurance Triple Crown. The Triple Crown consists of the Old Dominion 100, the Western States 100 (Tevis Cup) and the AERC National Championship 100. In 2007 John was voted by the *Chronicle of the Horse* magazine their Overall Horseman of the Year Award. With well over 6,000 AERC endurance and ECTRA competitive trail riding miles, John has competed all over the world and focused on conditioning, equine mechanics and how ECTRA competitive trail riding plays a major role in the success of today's endurance horses. He shoes his own horses and recommended the lightest shoe possible, and pulls shoes between major rides.

Dr. Kirstin Bubeck is a Clinical Assistant Professor for Equine Sports Medicine and Surgery at Tufts University. She has a strong interest in orthopedic and respiratory surgery as well as lameness evaluation and diagnostic ultrasound. She has practiced in Germany and Canada, but makes her home at Tufts University. She spoke to us on the common lameness issues in the endurance and competitive trail horse, with emphasis on diagnosis and management. Her slides illustrated diagnostic techniques, including X-rays, nerve blocks, ultrasound, MRI and PET scans, and nuclear scintigraphy, as well as treadmill tests with slow-motion videos to pinpoint lameness.

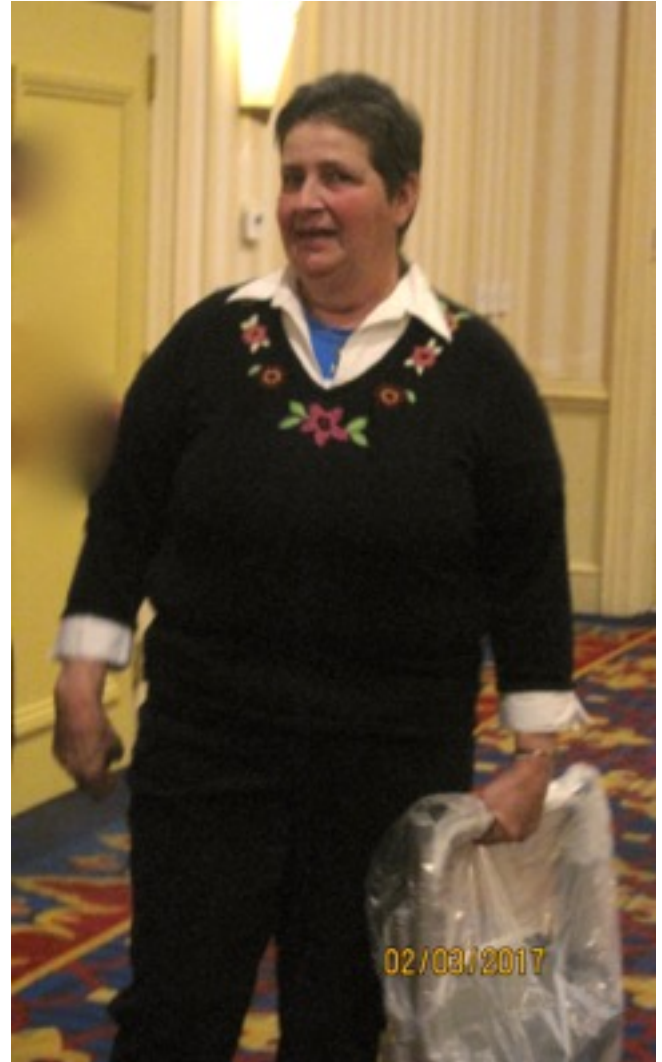

At Saturday's Annual Meeting, votes were counted and the new officers and board members were announced.

**President: Wanda Stazick**

### AWARDS BANQUET

Many ECTRA members and their horses were honored at the awards banquet Saturday night. The full list of awards can be found on pages 11 and 12. Many thanks to Esther Fiddes and Beth Sheldon, who took charge of the Mileage, Points and Awards programs.

Mary W. Coleman was given the **Jane Soule Volunteer of the Year** award; Mary has been a staunch supporter of ECTRA for many years, mentoring rookie riders, donating awards for rides, and serving as a volunteer when she wasn't competing.

The **East Coast Challenge Trophy** (a/k/a the Florida Cup), awarded to the horse and rider team with the highest scores on 3 of the East Coast's Extended Distance rides, was won this year by Donna Smith Curtin's horse Syrocco Gabriel.

**Rookie Rider of the Year** was Brooke Toth, who has earned the award created in memory of **Mrs. Web (Mary C. ) Coleman**. This is a perpetual trophy which is passed on from year to year with the recipient receiving a smaller replica as a "keeper". There was an article in the January/February issue of the newsletter about the award and its origins.

**NOTE FROM ESTHER FIDDES AND BETH SHELDON:**

Thank you all for your patience as Beth and I learned the ropes for Awards.

There are some changes that have been approved for this coming year. Please read these carefully, as they may have an effect on you:

- 1 Ride year calendar will be from Dec 1<sup>st</sup> to Nov. 30<sup>th</sup>. **All Outside Miles** completed in December will be credited and be applied to the following year .Keep this in mind if you are trying to reach a goal this year. Membership year will NOT CHANGE, still Jan 1<sup>st</sup> to Dec 31<sup>st</sup>
- 2 **ALL** Outside Miles need to be submitted **ON FORM**. Cannot just email. We are redoing the form, and you should be able to do this online. It would be greatly preferred if you did so .

**REMINDERS:**

- 1 LD endurance miles **DO NOT COUNT** for year end awards. Not Versatility, not Horse Achievement or any other award. They **ONLY** count for lifetime miles .
- 2 Please remember to register your horse (s) when you renew your membership. Your horse(s) will not be eligible for awards, accrued mileage, etc. if you have not paid for registration
- 3 Outside Mileage is not considered in Back Mileage option. See pps 27-28 in the ECTRA Handbook for info on Back Mileage.

Donna said "I cannot tell you how fortunate I am to ride Moose. He was bred by Meg Sleeper & is owned by Colleen Gallos. I've been competing him for 4 years now. He is an incredible athlete and I thank Colleen every day for giving me the honor to ride him. I love the bond one develops while competing in the three day 100 mile rides and I hope more folks get the chance to experience this unique event."

## NEWS AND LETTERS

**FROM MARY COLEMAN:** “I just wanted to post in the newsletter How honored I was to receive the Jane Soule Volunteer of the Year award. I think I am still in shock. I certainly do not help out in order to receive accolades..... I help in order to keep the sport going. Also thanks to all who ran the year end banquet and events. What a great weekend! All of you deserve an A+!”

**FROM ROBBY VIZARD:** “Did you know I had to put down my dear old man Sdarr? He was 29 and had a dental problem that went on for nearly a year. I had an awful time finding things he wanted to eat..thanks to corn oil I was able to keep his weight up. Then he colicked....it resolved itself, but occurred again every couple of weeks, or days.....at the end of a month I made the hard decision to let him go. He was my once in a lifetime horse. Sometimes he could be as silly as a 2-year-old (up to the end, as a matter of fact). I miss him terribly. I bred him; I even went so far as to break my foot the night he was born. It enabled me to spend the first three weeks of his life lying in the stall with him and his mother - it was bliss! A horse-crazy child could ask for nothing more.”

We share your pain — many of us have had one of those very special horses with whom we have shared so many miles and so many memories. Another horse may be able to take his or her place in the barn, but can never quite fill that space in our hearts.

Just before Christmas I had a disastrous computer crash and my backup program didn't work. (I should know better than to try to install anything myself - it either doesn't work at all or I spend hours on line or on the phone with tech support. “Easy 3-step process” — yeah, sure.

In any case I am struggling to relearn the word - processing program that had served me so well for so many years. It has changed so much that it's unrecognizable and I absolutely hate it. Technology marches on, but my brain is stuck in 2007. So please bear with me if the newsletter

gets messed up for the next few months, until I figure out what the #@%& I'm doing.
