

Eastern Competitive Trail Ride Association November 2017

The ECTRA competition season is winding down, with only one group of events still on the calendar. We have lots of ride results for you this month, but we are still having problems with riders that don't list their rider and/or horse numbers when they fill out their entry forms. This makes a lot of extra work for all the volunteers who process entries and track points and mileage. If your ECTRA numbers are not listed on the results, you need to contact Beth Sheldon (sheldon.beth@gmail.com) or (sheldon.beth+pm@gmail.com) right away to make sure you will get credit.

Beth would also like to remind you that **Outside Mileage needs be entered online**. The Biltmore ride earlier this year did not send us any ECTRA riders so members will need to use the online form to submit their mileage.

*(Note: A lipoma is a fatty tumor that hangs down from the abdominal cavity on a long stalk. Occasionally they get wrapped around the intestine. I have two other friends who have lost horses that way.

SLATE OF CANDIDATES

The following members will be candidates for ECTRA's 2018 year:

- President: Wanda Stazick
- Vice President: Esther Fiddes
- Secretary: Jeannette Cole
- Treasurer: Megan Thompson
- Board of Directors: Louise Lester
Kat Waters

Candidates – please send me a brief resume for the January/February issue (deadline will be January 20th.)

NEWSLETTER SCHEDULE

I will be in Mali from Nov. 15 - December 12th; we'll be breaking ground for our 18th and 19th schools for the Build a School in Africa Project. Consequently the newsletter schedule will be a little different for the next couple of months. The December issue will be sent out as soon after I get back as is possible. The Annual Rider and Horse Mileage Stats are scheduled for that issue, and will have registration forms and schedules for the Annual Meeting. Deadline for the December issue will be December 10th.

Deadline for the January/February issue will be January 20th, and will contain additional registration forms for the Annual Meeting, plus the ballot. This is sent via USPS, so let me know if you have moved!

HEARTFELT CONDOLENCES

...To ECTRA's vice president Esther Fiddes on the loss of her Morgan gelding LBF Hickory Smoke, a/k/a "Pokey" – not for his gaits, which were anything but poky, but for his curiosity, always poking his nose into everything. Esther wrote, "A lipoma* strangulated his small colon. They opened him up, thinking it was an impaction. Nothing could be done. I did not realize the lipoma thing was so common. I have learned otherwise. Nothing you can do to prevent it. It was horrible. He was a special guy, and way too young. Our hearts really are broken."

I had judged this big horse a few times over the years, and it was fun to watch his final trot-out; always playful, he would always throw in a buck or a few canter steps, just to liven things up. He loved his job, and he will be sadly missed.

SPEAKERS FOR THE ANNUAL MEETING

Char Jewell has sent a summary of the speakers who will be presenting at the Annual Meeting.

MEET OUR SEMINAR SPEAKERS

Dr. Harold Schott, DVM, PhD, DACVIM - Dr. Hal Schott earned a bachelor's degree from Cornell in 1980 and a DVM from the Ohio State University in 1984. He worked in a private equine practice in Santa Barbara, Calif., from 1984 to 1987 and followed that with a residency and PhD program at Washington State University from 1987 to 1991. He was on the WSU faculty from 1991 to 1995 as an instructor and then an assistant professor of equine internal medicine. In 1995, he came to Michigan State University as an assistant professor and progressed to associate and then full professor. He is a Diplomate of the American College of Veterinary Internal Medicine.

His clinical interests include all types of urinary tract disease in horses, and his research focuses on fluid and electrolyte physiology, especially with prolonged endurance exercise. Dr. Schott's name is synonymous with electrolyte education in the endurance world. He has performed numerous studies and supported out sport for many years.

Dr. Joyce Harman, DVM, MRCVS – Many ECTRA members are familiar with Dr. Harman who participated in and supported ECTRA for many years. Dr. Harman graduated from Virginia Maryland Regional College of Veterinary Medicine in 1984 with an interest in acupuncture and alternative medicine.

Dr. Harman became a Certified Veterinary Acupuncturist in 1990. She decided to open her own practice and do just acupuncture, so she moved to Virginia in 1990 and opened Harmany Equine Clinic. In 1994 she became a Certified Veterinary Chiropractor and also completed an

advanced homeopathic course for veterinarians. Along the way she has taken many other courses in holistic medicine for animals.

Dr. Harman is well known as an expert on tick borne diseases, she regularly consults with veterinarians and owners across the country for treatment protocols. She has "written the book" on saddle fitting, with two volumes, The Horse's Pain Free Back and Saddle Fit Book for western and English horses. She also has a booklet to help introduce people to homeopathy for horses, The First Aid Guide to Homeopathy for Horses. Her goal is to help educate the equine industry about natural, holistic and integrative medicine.

RIDE SAFELY

by Louise Lester

During the 40 years that I have been competing in ECTRA rides I have experienced lots of situations where accidents have happened and lots more which should have been accidents but luck was with us. People/horses are in the heat of competition or just trying to survive the day but they all can be prone to bad choices and possible trauma. I will tell you about one which happened to a very good friend of mine which could have been a very bad accident if it weren't for her very good mare. She had clipped her sponge rope to her saddle with a rather large loop in it. When she went to get off her horse her foot went through the loop and suddenly she was hanging upside down almost under her horse. People were all around so someone held her wonderfully quiet horse, someone picked her up, and someone else got her leg free. She walked away from this situation because of quick thinking people and an unflappable mare.

I realize this is an uncommon happening but every time you're putting your gear on your horse, or deciding what clothes to wear [never without your helmet], how you're going to load/unload your horse from the trailer etc, etc, etc be aware of those uncommon accidents. People who don't ride say that we're in a very dangerous sport and we just ignore their concern, but let's face it, we are doing a dangerous sport. It's up to us to keep it safe and injury free to horse and rider.

My safety suggestion: Take the time to look at what you're doing and change anything that might be an accident waiting to happen. Page 2

Apologies if these ride results are a little scrambled – for some reason I had a hard time copying the results from the originals and I couldn't get some rides to line up properly. **If your name or horse's name does not have the ECTRA number listed, please contact Beth Sheldon.** Her e-mail address is on the first page of the newsletter. If you have any questions, contact Beth – I don't have the original ride results.

RIDE MANAGERS: It's to your advantage to sanction your events early in the year, so you get maximum exposure in the newsletter. Don't forget that you can send me a publicity blurb about your events to increase the number of riders — there's no charge. Make sure you send it at least 3 months in advance, and check the newsletter deadlines - usually the 20th of the month preceding the issue date. (April 20th for the May issue, May 20th for June, etc.

Just received from Mary Coleman & Patty Lambert: "Great finish to the 2017 riding the 2 day 50 in New Jersey. Katie Vogel beat me in the ride however I won the costume contest! Started the year there in March and went to every ride NJTRA put on even though it is quite the haul I just am addicted to rides this club puts on. Thanks NJTRA great for the great job you all do. See you come spring." Mary
